CANDIDATE AGREEMENT

The following terms and conditions shall govern your participation in the UiPath® Certified Professional (“Program”). This Candidate Agreement (“Agreement”) is made between you and the participating UiPath legal entity as applicable to your country, as per Section 11.2 below (“UiPath”).

1. DEFINITIONS

- “Candidate” means any person taking an exam.
- “UiPath” means any UiPath entity and its existing or future affiliates.
- “Credential” means the type of recognition established by UiPath for each exam in the Program.
- “Designation” means the title granted to you by UiPath, if you have successfully passed all required exams and met all other requirements for the Credential associated with that title.
- “Logo” means the Program Logo established by UiPath associated with your Certificate and Badge. You may become qualified to use the Logo only if you successfully pass all required exams and meet all other requirements for the Credential associated with that Logo.

2. CERTIFICATIONS AND CREDENTIALS

- 2.1. **Recognition.** To achieve UiPath Certified Professional recognition for a Credential, you must have (a) accepted this Agreement and (b) received from the Program Office an acknowledgement that you have successfully passed an exam and met all other requirements, if any.
- 2.2. **Validity.** Your UiPath Certified Professional Credential will not expire, though it may lose market value over time. Depending upon your role and responsibilities, your employer may want you to achieve the latest version of the Credential.
- 2.3. **Term.** The period during which you may use the Designation and Logo for a Credential shall commence upon receiving notification from the Program Office that you have passed an exam and shall continue for as long as your Certification is valid and in good standing. If the Program Office establishes that the Candidate has cheated or used illegal means to influence the process or results of an exam (as described in section 3.2.), UiPath has the right to terminate the Credential and inform the Candidate of such termination.

3. EXAM AND RECOGNITION

- 3.1. **Exam Results.** Upon completing your exam, you will be provided a Score Report. This score will be reviewed along with other information in your Exam record. You may view your official Credential within 5 days after your Exam appointment at <https://www.certmetrics.com/uipath>.

During this period, UiPath and/or its vendors (“Vendors”) may review your exam record for

evidence of possible misconduct, scoring accuracy, and for response patterns that may suggest your result does not represent a correct measure of your competence or knowledge (measurement error). If a review of the exam record reveals possible misconduct or measurement errors as stipulated in section 3.3., UiPath reserves the right to immediately invalidate your exam score and any awarded recognitions.

- 3.2. **Exam Fraud.** Exam fraud includes any action or attempt by an individual or group of individuals to influence the testing process and score through cheating. Any individual or organization discovered to be engaging in these activities, whether willingly or not, is subject to corrective action.

UiPath identifies the following activities as exam fraud:

- Falsifying your identity or impersonating another individual.
- Cheating, colluding, and/or copying exam questions.
- Seeking, obtaining, and/or using any materials or information containing actual exam questions or protected exam material in forums or social networking sites.
- Reproducing, using, and/or disclosing any exam or test content in any form (digital, print, verbal) to anyone before, during, or after the testing event.
- Soliciting or allowing another person to take an exam on your behalf.
- Retaking an exam in violation of UiPath Certified Professional Exam Retake Policy.
- Disclosing and/or distributing protected exam material. This includes sharing exam questions with other exam test-takers, colleagues, your study group, etc.
- Giving or receiving unauthorized assistance when taking an exam.
- Possessing, referring to, or otherwise using any materials or equipment including, but not limited to, cellular phones, hand-held computers, laptop computers, tablets, electronic devices, removable drives, cameras, any recording devices or any writing materials while taking an exam.
- Engaging or collaborating with companies selling exams and/or practice tests.
- Making notes of any kind if in a secure area of a test center except on the writing materials that may be provided at the test center for this purpose.
- Altering the exam score and/or score report.
- Offering to sell, publish, display, distribute, disclose, or reproduce any part of any exam or test content by any means including, but not limited to, web postings, formal or informal preparation or discussion groups including communities of practice, chat rooms, reconstruction through memorization, study guides, or by any other method or in any materials.
- Creating derivative works from any part of any exam or test content or materials.
- Engaging in any conduct that is intended to, or results in, assisting or providing an unfair advantage to others.

Any of the above behaviors may occur prior to taking the exam, during the exam, or after the exam has been taken. You acknowledge and agree that UiPath or its designated Vendors have the right to use statistical analyses and other necessary methods to monitor for evidence of exam fraud. UiPath reserves the right to further investigate and take appropriate remedial actions if such analyses reveal evidence of exam fraud. These

actions include, but are not limited to, requiring Candidates to offer proof that they personally took an exam, revoking the awarded recognitions as described in section 3.3, and/or requiring Candidates to retake an exam under controlled conditions.

Please note that practice test questions, exam questions, and answers which may be available for purchase and/or download from the Internet are often outdated exam or practice test questions and are Intellectual Property stolen from UiPath. Use of such materials acquired from unauthorized sources is also considered exam fraud.

- 3.3. **Revocation of your Recognition.** UiPath Certified Professional measures your professional competency through high-stakes, proctored exams and performs ongoing maintenance and statistical analyses, including data forensics. If the validity of the exam result is brought into question due to statistical anomalies identified during analyses, UiPath may revoke, at its sole discretion, any or all recognitions you have acquired in the Program. UiPath may also forbid you, either permanently or for a limited period of time, to acquire future recognitions under any of the following circumstances:

3.3.1. If you breach any of the terms and conditions of this Agreement; or

3.3.2. If UiPath concludes, in its sole discretion, that you have participated in any action that undermines the integrity and confidentiality of the Program; or

3.3.3. If UiPath determines that you have committed exam fraud as defined in section 3.2.

- 3.4. **Employer Notification.** If UiPath revokes your acquired recognitions pursuant to section 3.3, you hereby agree that UiPath may notify your employer or associated company and respond to any inquiry by your employer or associated company about any changes occurred in your recognition status. Ignorance of these clauses shall not change the corrective action taken and cannot be considered a defense.

- 3.5. **Business Conduct.** You hereby agree that all the services you provide in your capacity as a participant in the Program, including those which involve the use or display of a Designation or Logo, shall be performed in a manner that (a) complies with all applicable governmental laws and regulations, (b) protects the Confidential Information and other Intellectual Property rights of UiPath, (c) does not harm or reflect negatively on UiPath's reputation, (d) avoids misleading, unethical, or illegal practices, and (e) does not make or appear to make any guarantees, representations or warranties on behalf of UiPath or UiPath products or services.

4. CREDENTIALS, DESIGNATIONS AND LOGOS

- 4.1. **Permitted Use.** Upon passing an exam, UiPath will grant you a non-exclusive, non-transferable, non-assignable, non-sublicensable, personal, revocable right to designate yourself with the applicable Designation and Logo and to use it only with the purpose of marketing, advertising, and promoting your activities as a UiPath Certified Professional. You are granted no other right, title, or license to the UiPath Trademarks.
- 4.2. **Limitations of Use.** You shall not use the Designation or Logo acquired in the Program in a way that (a) infringes or damages UiPath's rights, (b) negatively reflects on UiPath or otherwise injures UiPath's reputation, (c) misrepresents your relationship with UiPath and (d) misleads or implies that the Designation or Logo applies to other individuals or

organizations.

You shall use only UiPath supplied Logo artwork and upon request, you agree to promptly provide representative examples of your materials using the Designation or Logo.
- 4.4. **Reservation of Rights.** You acknowledge the value of the recognition associated with the Credential and acknowledge that such recognition solely ensures the benefit of and belongs to UiPath. UiPath shall retain all rights not specifically conveyed to you in this Agreement and shall have the right to further grant permission to others to use the Designation and Logo.
- 4.5. **Protection of Logo and Designation.** If deemed necessary, you agree to cooperate and offer assistance to UiPath in order to ensure protection of UiPath's rights in or to a Designation or Logo.
- 4.6. **Challenge of Rights.** You agree not to challenge, interfere with, or bring any type of action or legal or administrative proceeding in relation to the rights and title of UiPath in or to any Designation or Logo.
- 4.7. **Unauthorized Use, Registration.** You agree not to file any application to register, in any class and in any country, any trademark or service mark for any Designation or Logo or any other mark confusingly similar to any Designation or Logo granted by UiPath.
