RELEASE

2018.3

DEMO

The background is a deep blue gradient. In the lower half, there is a complex network of glowing white and light blue nodes connected by thin, translucent lines, creating a sense of a digital or neural network. The nodes are of varying sizes and brightness, with some appearing as sharp points of light and others as soft, out-of-focus bokeh. The overall aesthetic is futuristic and high-tech.

The background is a solid dark blue. In the center, there is a faint, light blue silhouette of a hand reaching upwards. Surrounding the hand are numerous circular icons connected by thin lines, creating a network-like structure. The icons include a padlock, a gear, a person at a computer, a warning triangle, a line graph, a smartphone, a gear with a checkmark, a bar chart, a pie chart, a group of three people, a globe, and a document with a checkmark.
