

ABBYY SDK Terms and conditions

The terms and conditions set forth herein, for the ABBYY SDK license integrated in the Software, are in addition to the UiPath Master Software and Services Agreement ("MSSA") for the Software licensing. Any terms not expressly defined here shall have the meaning set out in the MSSA. These terms and conditions shall not apply to use of ABBYY Software licenses resold by UiPath, which are subject to the ABBYY End User License Agreement ("EULA") distributed with and as part of the ABBYY Software.

1. ABBYY

1.1. The Customer is granted a Runtime License (the right to reproduce parts of the ABBYY SDK integrated into one copy of the Software during the term of the exclusive right to the ABBYY SDK and under the herein terms) for the ABBYY SDK contained in the Software on condition that the Customer complies with the terms and conditions of the MSSA which apply to the ABBYY SDK or to the Software as a whole. The Runtime License may be time- or function-limited and protected from unauthorized copying by means of a hardware or software protection key, which is an integral part of the ABBYY SDK.

1.2. The Customer may not perform or make it possible for other persons to perform any of the following activities infringing the rights of the owner of the ABBYY SDK:

1.2.1. Reverse engineer, disassemble or decompile (i.e. reproduce and transform the object code into source code) or otherwise attempt to derive the source code for the ABBYY SDK (applications, databases, and other the ABBYY SDK components) or any part, except, and only to the extent that, such activity is expressly permitted by applicable law notwithstanding this limitation. If applicable law prohibits the restriction of such activities, any information so discovered must not be disclosed to third parties with the exception that such disclosure is required by law and such information must be promptly disclosed to ABBYY. All such information shall be deemed to be confidential and proprietary information of ABBYY;

1.2.2. Modify the ABBYY SDK, including making changes to the object code of the applications and databases contained in the ABBYY SDK other than those changes that can be made by means of the ABBYY SDK as described in the documentation;

1.2.3. Transfer the right to use the ABBYY SDK to third parties or make it possible to use the ABBYY SDK for persons who have no right to use the Software;

1.2.4. Make it possible for any person not authorized to use the ABBYY SDK and working in the same multi-user system with the Customer to use the ABBYY SDK;

1.2.5. Provide public services, whether commercial or non-commercial, via the internet without the prior written consent of ABBYY. Provide services to their Affiliates and/or employees via the Internet without the prior written consent of UiPath (if the Customer is granted a PPC (pages per count) Runtime License(s) or ABBYY (if the Customer is granted UiPath (s) other than PPC (pages per count).

1.3. The ABBYY SDK is provided "as is." ABBYY does not warrant that the ABBYY SDK will contain no errors, nor will it be liable for any damages, including damages for loss of business profits or disclosure of confidential information.

1.4. Export Rules. The Customer shall not export or re-export the ABBYY SDK in violation of any export provisions in force in the country where the Customer purchased the Software, or in violation of any other applicable legislation.

1.5. If any part of the EULA is found void and unenforceable, it will not affect the validity of the balance of the EULA, which shall remain valid and enforceable according to its terms. The EULA shall not prejudice the statutory rights of any party dealing as a consumer.

2. MICROSOFT TECHNOLOGIES

The technologies of Microsoft Corporation or their parts (hereinafter referred to as the "Microsoft Technologies") listed hereof are used in the Software. The Microsoft Technologies are distributed under the Microsoft Software License Terms accompanying the Microsoft Technologies.

Technologies of Microsoft Corporation used in the Software:

- MICROSOFT HD PHOTO 1.0 DEVICE PORTING KIT (A.K.A. MICROSOFT WINDOWS MEDIA PHOTO 1.0 DEVICE PORTING KIT)

© 2005-2006 Microsoft Corporation. All rights reserved. Microsoft is either registered trademark or trademark of Microsoft Corporation in the United States and/or other countries. The Microsoft Technologies are licensed, not sold. This MSSA only gives You some rights to use the Microsoft Technologies. Microsoft reserves all other rights. Unless applicable law gives You more rights despite this limitation, You may use the Microsoft Technologies only as expressly permitted in the Microsoft Software License Terms and in this MSSA. In doing so, You must comply with any technical limitations in the Microsoft Technologies that only allow You to use it in certain ways. You may not:

* use the Microsoft Technologies for any other purpose than the one intended. The Microsoft Technologies' purpose is for the implementation of HD Photo encoders and/or decoders in XML Paper Specification products that comply with and support the HD Photo 1.0 file format (a.k.a. the Windows Media Photo 1.0 file format) as defined in the specification(s) provided in the Microsoft Technologies.

* publish the Microsoft Technologies for others to copy;

* rent, lease or lend the Microsoft Technologies;

* transfer the Microsoft Technologies or this Microsoft Software License Terms to any third party other than as expressly permitted thereunder. Export restrictions. The Microsoft Technologies are subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the Microsoft Technologies. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting.

For ABBYY FineReader Engine 12 only:

Whereas the ABBYY SDK incorporates **Microsoft Visual C++ 2015 Runtime Library** or its components, the Customer agrees to be bound by the following License Terms:

The Customer may not:

- use Microsoft's trademarks in Application' names or branding in a way that suggests Application come from or are endorsed by Microsoft; or
- modify or distribute the source code of any component(s) of Microsoft Visual C++ 2015 Runtime Library so that any part of it becomes subject to an Excluded License. An Excluded License is one that requires, as a condition of use, modification or distribution, that (i) the code be disclosed or distributed in source code form; or (ii) others have the right to modify it.

The technologies of Microsoft Corporation or their parts (hereinafter referred to as the "Microsoft Technologies") listed hereof are used in the Software. The Microsoft Technologies are distributed under the Microsoft Software License Terms accompanying the Microsoft Technologies.

Technologies of Microsoft Corporation used in the Software:

- Microsoft Visual C++ 2015 Runtime Library.

The Microsoft Technologies are licensed, not sold. This EULA only gives You some rights to use the Microsoft Technologies. Microsoft reserves all other rights. Unless applicable law gives You more rights despite this limitation, You may use the Microsoft Technologies only as expressly permitted in the Microsoft License Terms and in this EULA. In doing so, You must comply with any technical limitations in the Microsoft Technologies that only allow You to use it in certain ways.

You may not:

- work around any technical limitations in the Microsoft Technologies;
- reverse engineer, decompile or disassemble the Microsoft Technologies, or otherwise attempt to derive the source code for the Microsoft Technologies except, and solely to the extent: (i) permitted by applicable law, despite this limitation; or (ii) required to debug changes to any libraries licensed under the GNU Lesser General Public License which are included with and linked to by the Microsoft Technologies;
- remove, minimize, block or modify any notices of Microsoft or its suppliers in the Microsoft Technologies;
- use the Microsoft Technologies in any way that is against the law;
- share, publish, rent or lease the Microsoft Technologies, or provide the Microsoft Technologies as a stand-alone hosted solution for others to use.

Export restrictions. Microsoft Technologies, online services, professional services and related technology are subject to U.S. export jurisdiction. You must comply with all applicable international and national, laws including the U.S. Export Administration Regulations, the International Traffic in Arms Regulations, Office of Foreign Assets Control sanctions programs, and end-user,

end use and destination restrictions by the U.S. and other governments related to Microsoft products, services and technologies. For additional information, see www.microsoft.com/exporting.

Whereas the ABBYY SDK incorporates **MICROSOFT Outlook 2010: MAPI Header Files** or its components (hereinafter referred to as the "Microsoft Technologies"), the Customer agrees to be bound by the following Microsoft Software License Terms:

The Customer may not:

- alter any copyright, trademark or patent notice in the Microsoft Technologies or its components;
- use Microsoft's trademarks in Application's names or in a way that suggests your Application comes from or is endorsed by Microsoft;
- distribute the Microsoft Technologies to run on a platform other than the Windows platform;
- include the Microsoft Technologies or its components in malicious, deceptive or unlawful programs;
- modify or distribute the source code of the Microsoft Technologies or its components so that any part of it becomes subject to an Excluded License. An Excluded License is one that requires, as a condition of use, modification or distribution, that the code be disclosed or distributed in source code form; or others have the right to modify it;
- work around any technical limitations in the Microsoft Technologies;
- reverse engineer, decompile or disassemble the Microsoft Technologies, except and only to the extent that applicable law expressly permits, despite this limitation;
- make more copies of the Microsoft Technologies than specified in this Agreement or allowed by applicable law, despite this limitation;
- publish the Microsoft Technologies or its components for others to copy, rent, lease or lend the Microsoft Technologies its components;
- use the Microsoft Technologies for commercial software hosting services;
- transfer the Microsoft Technologies or its components to any third party other than as expressly permitted by this Agreement.

(1) To support the Microsoft Outlook integration, the technologies of Microsoft Corporation or their parts (hereinafter referred to as the "Microsoft Technologies") listed in paragraph (2) are used. The Microsoft Technologies are distributed under the Microsoft Software License Terms accompanying the Microsoft Technologies.

(2) Technologies of Microsoft Corporation used in the SOFTWARE: MICROSOFT Outlook 2010: MAPI Header Files

© 2009-2010 Microsoft Corporation. All rights reserved. Microsoft is either registered trademark or trademark of Microsoft Corporation in the United States and/or other countries. The Microsoft Technologies are licensed, not sold. The Microsoft Software License Terms and this EULA only give You some rights to use the Microsoft Technologies. Microsoft reserves all other rights. Unless applicable law gives You more rights despite this limitation, You may use the Microsoft Technologies only as expressly permitted in the Microsoft Software License Terms and in this EULA. In doing so, You must comply with any technical limitations in the Microsoft Technologies that only allow You to use it in certain ways.

You may not:

- work around any technical limitations in the Microsoft Technologies;
- reverse engineer, decompile or disassemble the Microsoft Technologies, except and only to the extent that applicable law expressly permits, despite this limitation;
- make more copies of the Microsoft Technologies than specified in the Microsoft Software License Terms and this EULA or allowed by applicable law, despite this limitation;
- publish the Microsoft Technologies for others to copy;
- rent, lease or lend the Microsoft Technologies; or
- use the Microsoft Technologies for commercial software hosting services.

Export restrictions. The Microsoft Technologies are subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the Microsoft Technologies. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting.
